

5 ASKS FOR GENERAL ELECTION

1

Appoint a Commissioner for aging & older persons

Establish a Commissioner with Independent Legal Powers to ensure we are all protected, treated fairly and with dignity as we age

2

Pension Reform

Benchmark and index the State pension to 34% of the average income. Pass the Industrial Relations Bill 2021. Both will ensure security of income for older people

3

Help us to age in place with dignity

Implement policies to ensure that all of us can age in place in our homes and communities, in particular, supports and protections for older persons renting

4

Energy Guarantee for older persons

Implement an Energy payment targeting those in poorly insulated homes, those on lower incomes as well as those who are living alone

5

Abolish Mandatory Retirement

We should all have the choice to remain in or re-enter employment beyond age 65 as well as in work supports to sustain and assist all an ageing workforce
