Dear Jack,

Thank you for your further correspondence dated 09 September 2025 on behalf of Mr Joe Harris regarding the RTE Superannuation Scheme.

After careful consideration of the NewERA Report and Actuarial Valuation, I recently approved the proposed increase of 4% to pensions in payment and deferred benefits for members of the RTÉ Superannuation Scheme, as requested by the Trustees of the Scheme.

My officials have now written to relevant officials within your Department to obtain your consent for the proposed increase.

Yours sincerely,
